MISSION STATEMENT

The mission of Pappy's Pantry Ministries, Inc. is to feed those in need while sharing the gospel.

VISION STATEMENT

We believe that access to nutritious food is a basic human right. We envision a community where every person has access to sufficient food and will do our part to make this vision a reality.

About the Ministry

Our granddaughters call us Mammy and Pappy. One of our granddaughters, who is 2 years old “shops” in our kitchen pantry, so when it came time to choose a name, “Pappy's Pantry” rolled off of our tongues and it fit. Pappy's Pantry Ministries, Inc. became a reality on September 17, 2018.

The President of Pappy's Pantry, who is a giver by nature, lost his father, who was also a giver – far more of a giver than we really knew until after his death. In his memory, we continue to give.

We are a 501c3 non-profit organization dedicated to feeding those who are less fortunate. Our focus is to operate the food pantry to the best of our ability and to provide nutrition to families who have found themselves in difficult times, while sharing the love of Christ.

The number of people who go hungry in our communities is staggering. This is an area near to our hearts, along with mental illness and drug addiction. We hope it is God's will that Pappy's Pantry reach even further into the community and allow the ministry to touch the homeless community, mental illness, and drug addiction in the near future. We know we can't fix everyone and everything, but we hope to share the gospel of Christ while touching as many lives as possible...and maybe those lives will touch others.

Pappy's Pantry relies solely on the donations of others, and as a 501c3 non-profit organization, donations are tax deductible.

Please help us to feed those in need while sharing the gospel.
